

ETHICAL

issues in Immunisation

SEMINAR

MARCH 26TH, 2012 10am - 5pm @ The Darlington Centre, The University of Sydney

This one day seminar addresses the major ethical issues facing immunisation programs in Australia today. It asks:

- What level of vaccine risk is acceptable and who should decide?
- Is it unethical not to have a no-fault compensation scheme for serious adverse events attributed to vaccination?
- How far can we go in getting people to be vaccinated?
- Is the current system for funding vaccines sufficient?
- How can vaccine programs incorporate public values?

Speakers and chairs include Marie Bismark, Stacy Carter, Andrea Forde, Claire Hooker, David Isaacs, Heath Kelly, Ian Kerridge, Julie Leask, Kristine Macartney, Roger Magnusson, Helen Marshall, Peter Massey, Terry Nolan, Glenn Salkeld, Cameron Stewart.

Cost \$143 incl. GST
